The brand new Dufour 48 F located in Mykonos is open for booking your family holiday this year.

DUFOUR 48 F - Mykonos Dufour 48 F | Catamaran Charter | Mykonos | Greece The DUFOUR 48 is a brand-new catamaran that has just been added to our fleet. Until 2018, Dufour exclusively built high quality and elegant monohull sailing yachts and the Dufour 48 – 2018 was their first multihull release ever. Immediately acclaimed by many industry experts and awarded “Boat of the Year” in the catamaran category at the Genoa Boat Show 2018, it became a highly popular catamaran. Some of its special features are: Its large outdoor cockpit that is located on the same level as the living room and kitchen; its cleverly designed fly-bridge that offers a raised lounge which is perfect for sun-bathing and relaxing in privacy; and its elegantly designed interior area that is spacious and exceptionally well lit by natural light. She is based on the cosmopolitan island Mykonos, which is the perfect starting point, if you wish to explore the near-by Cyclades Islands, that include the famous Milos, Naxos, Paros, and Santorini.
