Book the stunning Lagoon 42 for the perfect bareboat charter in Lavrio
LAGOON 42 - Lavrio Lagoon 42 | Catamaran Charter | Lavrio - Athens | Greece The Lagoon 42 is a new Lagoon model and a sublime successor to Lagoon's best-selling 421. While keeping a family resemblance in the main features, she boasts a unique visual identity with sleek, elegant curves, a strong personality and a ground breaking single level cockpit. Her organic architecture resonates in the interior, allowing a unique and generous living space. Vertical glazing illuminates the interior space and stunning curved wood finishes give the design a modern yet cozy atmosphere. She is based in Marina Lavrio (Athens area), which is the perfect starting point for two main sailing areas in Greece: the Cyclades Islands, that include the famous Milos, Naxos, Paros, Mykonos and Santorini, and the Argo-Saronic Gulf, which is a well-protected sailing area with beautiful islands such as Aegina, Poros, Hydra, and Spetses.
